

PANTOLOONS

So many ways to get involved !!!

Junior Chorus

Students from Years 3-6 have fun performing and are one of the most popular parts of our shows. They are often cute and are always scene stealers. For students to be involved, a parent must also contribute to the work of Pantoloons (either on stage or in an off stage role). If not acting onstage, a parent of each child in the chorus must act as chaperone during 1 performance in January.

Secondary Chorus

Students from Years 7 and above. From scary monsters to rollerblading mermaids, these teenagers are always a hit. (Parental involvement required. See Junior Chorus)

Adult Chorus

For current and past staff and parents. These women and men are key to our show, singing their hearts out and filling the stage with colour as they perform their dances. It's great fun.

Principals

For current and past staff and parents. Princesses, kings, fairies, dames, camels or cats, silly fools and evil villains. These men and women carry the story and keep the audience involved.

Production Team

Our fantastic team who build and paint the set, make our costumes, apply our make-up, control the lights, move the scenery, choreograph our dances and so much more.

BSB Pantoloons

THE PANTOLOONS

A BSB tradition for over 30 years

What is Panto?

First and foremost panto is about telling a well loved story such as Snow White, Aladdin, Sleeping Beauty or Cinderella. Its proper name in

the UK is pantomime

BUT British pantomime has nothing to do with the art form of telling stories without words.

Panto is different.

There's singing, dancing, drama, comedy and lots of colourful characters.

The audience joins in the fun; cheering the

hero, booing the villain and at the right time warning the actors that "It's behind you!!". Panto is a British theatrical tradition. From professional theatres to humble village halls, thousands of pantos are per-

formed each year during the Christmas and New Year period. For a lot of families an outing to their local theatre to see the panto is an essential part of their festive fun. When the dark January nights arrive at BSB families look forward to the Pantoloons annual production. At BSB, January has a warm glow.

It's Panto time!!!

Who are the Pantoloons?

The Pantoloons is made up of current and past BSB staff, parents and students.

We have members from many countries represented at BSB.

For some of our group their very first experience of a

British panto has been as a member of Pantoloons. Of course in our community families move on and we are always happy to welcome new members.

How can I get involved?

More than 100 people get involved in Pantoloons each year. We would be really happy if you joined us. No experience of panto is required. In fact, no experience of the theatre is needed. Whether your interest is in being onstage or working in one of our many offstage roles such as make-up, costume making, set building and painting or choreography we have a place for you in Pantoloons
